Held in the mornings or afternoons during the months of June and July, Fabricate Studios offers several different summer camps designed for kids with both beginning and advanced sewing skills. Fabricate Studios is located in West Midtown Atlanta (1746-B Defoor Ave NW, Atlanta, GA 30318).

[Fabricate Studios](#) teachers are experts in teaching sewing. They offer two classroom spaces and eliminated retail from their facility to focus on teaching. Their [Beginner Sewing Camp](#) is designed specifically for kids (ages 6-11) who are new to sewing or have limited sewing experience. In this camp, students will learn to use a sewing machine and make multiple projects that they can show off to friends and family while learning the basics of sewing and hand embroidery. Project examples include: tote bag, headband, zipper pouch, owl pillow, quilt and more.

Fabricate Studios also has a Back to School camp, Beach Week camp, Fashion Design Camp, and Summer Wardrobe Camp (which is the only full day camp offered.) They also have Exploring Art summer camp offered in the afternoons for one week (July 13-17) for 5-7 year old children.

The sewing camps run from 9 a.m. to 12 noon or 1 p.m. to 4 p.m. (Drop off as early as 8:30 a.m. and pick up as late as 12:30 p.m.) The cost of the sewing summer camps are \$325 which includes 5 mornings or afternoons of camp and all fabric and supplies (\$50 value). (The [Summer Wardrobe Camp](#) is the only one that is full day from 9 a.m. to 5 p.m. and costs \$650.) For all camps, sewing machines are provided free of charge during camp or campers may bring a machine from home.
